SURREY BY-LAWS.

LIQUOR LICENSE BY-LAW.

A By-Law to provide for the granting of Licenses for the sale of Intoxicating Liquors within the District of Surrey, and to regulate places so licensed, and to fix a fee for such License.

WHEREAS it is expedient that provision should be made for issuing licenses for the sale of intoxicating liquors within the District of Surrey, and regulating the houses in respect of which such licenses may be granted, and limiting the number of such licenses, and fixing the fee to be paid for such licenses:

Therefore, the Reeve and Council of the Corporation of the District of Surrey, in Council assembled, under the powers contained in the "Municipal Act, 1889," and as amended by the "Municipal Amendment Act, 1890," enact as follows:—

1. It shall be lawful for the Licensing Board for the District of Surrey to direct the issue of licenses, either written or printed, or partly written and partly printed, of the several kinds or descriptions following, that is to say:—

(a.) Hotel licenses, \$50 every six months:

(b.) Wholesale licenses, \$50 every six months.

2. Every such license shall authorize the person licensed to sell, subject to the provisions of this by-law and of the statutes relating to the sale of liquors, all spirituous and malt liquors, and all combinations of liquors and drinks and drinkable liquids which are intoxicating; and such licenses shall be signed by the Clerk of the Municipal Council.

3. A hotel license shall authorize the licensee to sell and dispose of any liquors in quantities not exceeding one gallon, which may be drunk in the hotel or saloon in which the same is sold.

4. A wholesale license shall authorize the licensee to sell and dispose of liquors in his warehouse, store, shop, or place defined in the license, in quantities of not less than one gallon.

5. Every application for a license to sell liquors shall be by petition to be filed with the said Clerk at least thirty clear days before the meeting of the Licensing Board, and shall be accompanied by a fee of \$55, to cover the expenses of inspection and license; and a notice of such application shall be inserted twice in some newspaper published prior to the application, giving full particulars as to names of parties and the premises in respect of which the license is required.

6. Upon receipt of such application the said Clerk shall transmit the same to the Inspector, who shall inspect the premises of the applicant and report in writing to the Board; and such report shall contain—(1) a description, in brief, of the house, premises and furniture; (2) if the application is made by a person who previously held a license in the district, a statement as to the manner in which the house has been conducted during the existence of the previous license; (3) a statement whether the applicant is a fit and proper person to have such a license, and whether he is of good name, fame and repute; (4) a statement whether the applicant is or is not the true owner of the business of the hotel, saloon, or shop sought to be licensed.

7. The report of the Inspector shall be for the information of the Board, which shall, nevertheless, exercise its own discretion on such application.

8. Any person may, either in person, by petition, or through an agent, oppose the granting of a license to any applicant or to his premises, and all proceedings of the Licensing Board shall be open and public.

9. No person who holds a retail license under this

by-law shall be permitted to sell by wholesale, unless such person has also taken out a wholesale license.

10. All licenses granted under this by-law shall be constantly and conspicuously exposed in the warehouses and shops for which they have been granted, and in the bar-rooms of hotels and saloons; and every licensee who violates the provisions of this section shall incur a penalty of five dollars and costs for every day's wilful or negligent omission so to expose such license.

11. No person to whom a license has not been granted shall, by any sign or notice, lead the public to suppose he has such a license; and no person shall keep or have in any house, building, shop, eating-house, or house of public entertainment, or in any room or place whatsoever, for the purpose of selling, bartering or trading therein, any intoxicating liquor, unless he be duly licensed for that purpose under the provisions of this by-law.

12. Every license under this by-law shall be granted only for the premises mentioned therein, and shall entitle the licensee to keep only one bar on such premises; and no person shall have granted to him or shall have more than one liquor license at the same time in this corporation.

13. No sale or other disposal of liquors shall take place on any premises licensed under this by-law, by wholesale or retail, during the hours of Divine Service on Sundays, or from nine o'clock A. M. to twelve o'clock noon, or from six o'clock P. M. to nine o'clock P. M.

14. No hotel license shall be issued to any premises unless the same shall have been certified by the Inspector to be clean and convenient for the purposes of a hotel, and that there are sufficient appliances for the escape of guests in case of fire, and that there are in the premises, in addition to what is required for the use of the family and employees of the hotel-keeper, at least six bed-rooms, together with, in every case, a sufficient quantity of furniture and bedding, and that each of such bed-rooms contains at least 384 cubic feet of space for each person occupying the same, and is provided with a window to open at least two feet square; and every hotel shall, in addition thereto, be shown to the satisfaction of the Board to be a well appointed and sufficient eating-house, with the appliances requisite for serving meals daily to guests or travellers.

15. If at any time after the granting of a license any of the requirements specified in the preceding section should be found wanting, then the license for such hotel shall become null and void.

16. Every person licensed under this by-law who permits drunkenness or any violent, quarrelsome, riotous or disorderly conduct to take place on his licensed premises, or who sells or delivers intoxicating liquors to any habitual drunkard or intoxicated person, or to any person under the age of twenty-one years, or who permits any such person to consume intoxicating liquor on his premises, or who permits any person of notoriously bad character to frequent his premises, or permits any gambling or any unlawful game to be carried on or played on his premises, shall be subject to the penalties provided herein, and may, in addition, have his license suspended by the convicting magistrate until the next meeting of the Licensing Board.

17. No person to whom a license has been granted under this by-law shall make or use, or permit to be made or used, any internal communication between any premises so licensed and any unlicensed premises which are used for public entertainment or resort, or as a refreshment room or house, under a penalty not exceeding \$50 for every day during which such communication remains open.

18. Every hotel-keeper licensed under this by-law who fails or refuses, except for some sufficient reason, to supply lodging, meals and accommodation to any traveller applying therefor within reasonable hours, shall be guilty of a breach of this by-law.

19. Any officer or Inspector may, upon the information of any responsible person that the provisions of this by-law are being violated in any hotel, shop, or house, enter therein and examine and search such hotel, shop, or house, for the purpose of detecting any such violation; and every person who interferes with such officer or Inspector, while searching or inspecting such premises, shall be guilty of a breach of this by-law.

20. Any Justice of the Peace having jurisdiction may, if he is satisfied by information on oath of any officer or other person that there is any intoxicating liquor kept for sale or disposal, contrary to the provisions of this by-law, in any licensed or unlicensed house or place within the district, grant a warrant under his hand and seal, by virtue of which the person

named in the warrant may, at any time or times within ten days from the date thereof, enter, and if need be by force, the place named in the warrant and every part thereof, or of the premises connected therewith, and examine the same and search for liquors therein, and for such purpose may, with such assistance as he deems expedient, break open any door, lock, fastenings of such premises or any part thereof, or of any closet, cupboard, box or other article likely to contain such liquor; and in the event of liquor being so found unlawfully kept on the said premises, the occupant or occupants thereof shall, until the contrary be proved, be deemed to have kept such liquor for the purpose of sale, contrary to the provisions of this by-law.

21. Every person who sells or barter intoxicating liquor of any kind, without the license therefor by this by-law required, shall, for the first offence, incur a penalty not exceeding \$50, nor less than \$30, with costs; and for the second offence he shall incur a penalty of not less than \$50 or more than \$100, with costs; and for the third offence he shall incur a penalty of not less than \$100, with costs, or imprisonment for any period not exceeding six months.

22. Any person who has lawfully obtained a license under this by-law may, on application to the Licensing Board, have such license transferred to any other person, or to any other premises, if approved by said Board; but notice of application for all transfers must be given in writing, and such notice must specify the person and premises to whom or which the transfer is proposed to be made, and must be served upon the said Clerk at least thirty clear days before the meeting of the Board, and shall be accompanied by a fee of \$5.

23. With the exception of the Reeve, who is ex-officio a member of the Licensing Board, no person shall sit or vote as a member of the said Board who is owner or lessee of any place where liquors are sold, or proposed to be sold, within the district, or who is a partner of the owner or lessee of such premises, or who has a direct personal interest therein; and any person knowingly disqualified by this section who sits or votes or acts on said Board shall incur a penalty of \$10 each time he shall so sit, vote, or act.

24. At all the meetings of the Licensing Board any three members thereof, including the Chairman, shall form a quorum; and the Reeve shall be Chairman thereof if he be present, and in his absence any other member of the Board may be elected to the chair for the time being. All questions coming before the Board shall be decided by a majority of the members then present, and the Chairman shall vote only in case of a tie.

25. The Clerk of the Municipality shall be Clerk of the Licensing Board, and shall keep a record of the proceedings thereof in a minute-book.

26. E. T. Wade shall be an Inspector of Licenses under this by-law.

27. No license shall be granted under this by-law to any person under twenty-one years of age.

28. Any person guilty of a breach of this by-law shall, except where otherwise provided, on conviction, be liable to a penalty not exceeding \$100 for each offence, or to imprisonment for a period not exceeding three months, or to both fine and imprisonment at the discretion of the convicting Magistrate; and all persons against whom information has been laid under the provisions of this by-law may be tried in a summary manner, and all penalties inflicted thereunder may be recovered by sale of goods and chattels of the person convicted.

29. It shall be lawful for the Licensing Board at any time to order the cancellation of any license granted under this by-law, or of any license granted prior to the passage of this by-law, if, in the opinion of a majority of the said Board, the person who holds such license has been guilty of such conduct as to justify such cancellation, or the public interest so demands, and the person whose license is thus cancelled shall have no claim whatever upon the Corporation in consequence of such cancellation; and all licenses issued under this by-law shall contain a clause expressly reserving this right of cancellation, and shall otherwise be in such form as may be approved by the Municipality.

30. This by-law may be cited as the "Liquor License By-Law, 1890."

Passed the Municipal Council this 7th day of July, 1890.

Reconsidered and adopted and the seal of the Corporation appended hereto, this 1st day of August, 1890.
